

# HeartThread Practitioner Training

October 15<sup>th</sup> -17<sup>th</sup>, Nataraja Studios, Burlington, VT

Join Grace and Raphael Weisman in Burlington Vermont for an opportunity of a lifetime to become a practitioner of one of the most powerful healing and transformational modalities on the planet.

HeartThread is a Revolutionary, transformational modality that transmits a frequency of love, safety & connection through the field of the heart, releasing old patterns of trauma & conditioning from the body. It is facilitated by a practitioner utilizing sound and touch. The practitioner's hands gently tune in to the message points on the back of the client's body, receiving words. The sound of the client's voice repeating the words affects the cells & the old imprints are released, replaced by light and life enhancing patterns. This process can even be done over the phone.
