

El Sol Science & Arts Academy

An Excellent Public School

August 14, 2020

Dear Parents/Guardians,

Our School El Sol Academy is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classroom starting August 24th, 2020 to enhance connectivity and communication across our school.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child will be given login credentials next week to access El Sol's Academy Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

If you have questions or feedback regarding Schoology, please email Daisy Silva our help desk Schoology assistant at dsilva@elsolacademy.org.

Sincerely,
Monique Daviss
Executive Director
