

Dear AP student,

As you know, Advanced Placement (AP) classes are the most challenging courses offered at Lake Park. To make sure you're off to a great start, Lake Park High School invites you to attend **AP Boot Camp** for students new to AP this year. Camp will take place July 31 & August 1, from 8:00 am–12:00 pm.

This two-day camp, which is free of charge, will be held at West Campus and taught by AP teachers, former AP students, and counseling staff. Each day will be packed with tips, strategies and insights that will give you a huge advantage as you head off to AP in the fall.

Among the many things you will learn are:

- Important AP academic strategies, reading skills, and study tips
- How to manage the AP workload
- Tips for balancing school, work, sports and activities
- Resources and supports to help you get through

In addition, participants will discover their learning styles; develop SMART goals; participate in team building, and enjoy a wrap-up pizza party!

Again, this two-day AP Boot Camp is free of charge. In order to participate, simply notify Mrs. Sheila Finstein, West Campus Administrative Assistant, of your interest in attending.

Mrs. Finstein can be reached at [sfinstein@lphs.org](mailto:sfinstein@lphs.org), or at 630-295-5321.

Hurry, participation will be limited to the first 50 students who respond. Registration ends Friday, July 20.

If you have any questions, please don't hesitate to contact me. I strongly hope you'll consider attending AP Boot Camp!

Ian Smith
