Why not become a Substitute Teacher?

The DuPage County Regional Office of Education can assist interested applicants with the process of becoming a substitute teacher. For more information call (630) 407-5800 or visit www.dupageroe.org. Plan to attend an informational meeting to learn the requirements to become a substitute teacher.

A substitute teacher in DuPage County must:

- Be certified to teach OR hold a four-year degree in any area of study
- Hold a valid educator license. Qualifying licenses include a Professional Educator License, Substitute Teaching License or a Para Professional License with a bachelor degree on file
- Complete a fingerprint background check

Please note individual school districts reserve the right to include additional requirements of applicants.
