

5th Annual Global Peace Foundation Forum

“Cross-Community Engagement: Urban Peacebuilding”

Join local, government, nonprofit and community leaders in exploring ways to support healthy communities, where the foundation of character is formed, and the fabric of strong neighborhoods and societies is woven together. Together we will seek best practices and insights on community and urban peacebuilding. We will have some training opportunities, break out sessions and focused interaction with a project planned for the coming months.

The Vegas Hotel
2612 Belknap Ave. Billings, MT 59101
(South 27th and State Ave.)

October 26, 2019
Saturday
