

## **Prize Money**

### **1. If I win prize money at an event, how do I receive this?**

You will be contacted within a week of the event to obtain the necessary details for the payment of the prize money. This will include uploading your payment details on our secure online system, along with a copy of your passport and a completed/signed copy of the necessary tax form (either or)

### **2. Which tax form do I need to upload along with my payment details?**

Athletes living in the United States and holding a SOCIAL SECURITY Number a W9 Form is required. All other athletes a W8BEN form is required.

### **3. How long will it take to process the prize money payment?**

When an event has anti-doping controls, the prize money payments will be paid out once the results are received – typically 4-6 weeks.

For events without anti-doping controls, once the necessary details are obtained from ALL athletes, the payments will be submitted for processing.

### **4. Will there be taxes withheld on my earnings?**

The tax withholding laws of the country in which an event takes place will be followed, so there may be withholdings applied accordingly.

### **5. How do I go about getting tax documents needed to file my personal tax returns?**

Official tax documents for income earned at events in the United States and Canada will be provided by March 1st of the following year. If you do not receive the tax document by this date, or you need documents from other regional events please contact us at [proregistration@ironman.com](mailto:proregistration@ironman.com)
