

DON'T ABANDON YOUR FIRE PREVENTION WEEK PLANS DUE TO COVID-19!

Here Are Some Ideas Below from Association Leaders

Featured are: Metro Chiefs President Tom Styczynski; IFIA President James Brown and Public Ed Committee Marisa Schriber; IFSA Executive Director Phil Zaleski; and Kay Ciukaj from Promos 911.

The basic idea is to have a live burn demo event using the Association trailers from the IFIA and NIFIA, and/or the live side by side trailers. Have your local officials and/or fire safety committee attend and show on local Cable TV and local press. Follow it with a late afternoon (e.g. 5pm-7pm) "reverse driveby" for your citizens, where your firefighters can distribute bags/packets of fire safety materials and giveaways.

Serve Up Fire Safety in the Kitchen!™

This year's FPW campaign, "Serve Up Fire Safety in the Kitchen!™" works to educate everyone about the simple but important actions they can take to keep themselves, and those around them, safe in the kitchen.
