

Calling All Young Singers!

The Spirit Singers invite new singers interested in learning the joy of singing in a choir to join them - grades K - 5 welcome

Who? All young singers (no experience necessary)

What? We sing music from around the world, accompanied by piano and other instruments/percussion

When? Rehearsals are Mondays from 5 - 5:45 pm following the school calendar

Where? In classroom C in the formation building

How? Under the overall leadership of James Fitzpatrick, parishioners Kate Caldwell and Hope Stinson offer weekly direction and guidance

Benefits: Participation in a choir is a great way to become involved in the life of the church, helping to enhance worship through music.

Research has demonstrated that young singers enjoy improved discipline, math and language skills, a sense of community, new friends, and a life-long love of music.
