

The atom Alliance Nursing home team invites you and your QAPI team to participate in Learning Session 1 of our Creating a Culture of Safety virtual webinar series on Thursday, August 10th, 2017 at 2 p.m. Eastern.

Hear from one of your NH peers how they have drafted their QAPI plan to meet the new **LTC requirement to have a QAPI plan in place by November, 2017**. We will feature tools and resources that may assist you and your QAPI time with your performance improvement projects around:

- a. Consistent Assignment/ Staff Stability
- b. Dementia/Person Centered Care
- c. Team Work and Communication

Atom Quality Advisors will provide your team with an Introduction to Infection Control and Antibiotic Stewardship to assist with the New **LTC rule for Infection prevention readiness and Antibiotic Stewardship**.

Who should attend?

Administrators, Directors of Nursing, Infection Control nurses, QAPI team members, or others that you feel will benefit from the webinar
