

The KEEN-CDC Project : The Kentucky Enduring Education & Care Network for Collaborative Dementia Care

“COVID-19 Impact on Skilled Nursing Facilities”

Tuesday, **June 2, 2020**

3:00-4:30 pm Eastern / 2:00-3:30 pm Central

Kevin Hatton, MD FCCM
Anesthesiology Division Chief
Critical Care Medicine
Associate Clinical Professor
of Anesthesiology and Surgery

Amy Richardson, RN, MSN
Staff Development Specialist
at the University of Kentucky
Academic Medical Center

Dr. Gregory Jicha, MD PhD
Professor in Neurology
Clinical Core Leader
Sanders-Brown Center on Aging,
Alzheimer's Disease Center
University of Kentucky

Marie Smart, SW, BA
Quality Assurance Review Team
for The Breckinridge
Christian Care
Communities Board

REGISTRATION

1. Go to <https://www.ceccentral.com/live/17064>
2. Click on the **Register Online** button and complete the registration process. It is necessary for everyone viewing the activity (even if using the same device) to register individually. A Zoom confirmation email will be sent to everyone that registers with the activity link. There is no registration fee to attend this activity.
3. After registering for the course, you will be directed to <https://zoom.us>.
4. **MOST IMPORTANT**, print off the attached sign in sheet that will be in the Zoom confirmation email and have everyone who attends at your location complete the information and email/fax the COMPLETED sign-in sheet to Elizabeth.rhodus@uky.edu or 859-257-4233 (fax)

TO CONNECT

Connect from any enabled computer, tablet, or smartphone (PC, Mac, Linux, or mobile device):

Go to <https://uky.zoom.us/j/544424645>

You don't need administrative rights to download Zoom to your computer. Just follow the prompts to download.

For any connection issues, you can contact

(859) 257-6404 for assistance.

For audio only: from a telephone, dial (646) 876-9923
or (669) 900-6833 and use Meeting ID: 544 424 645

POINTS TO REMEMBER

You don't need a web cam and microphone to dial in to this meeting but they are nice features to have if they are available.

When dialing-in by phone, be sure to turn your computer volume all the way down so there isn't any feedback.

You may test your connection by clicking on the Zoom test web link to insure that your camera, speakers, and microphone are working properly.

You will also see what the Zoom interface looks like.

If you have problems, Zoom provides a troubleshooting web link.

Statement of Need:

Older adults and those with medical conditions, such as cognitive impairment and dementia have demonstrated increased risk of morbidity and mortality associated with COVID-19. Certified nursing facilities are experiencing drastic effects due to confined spaces and vulnerable populations. Increased recognition and implementation of best-practices in hygiene, medical indicators for concern, and behavioral adjustments for social distancing are urgently needed.

Practice Gap:

Training opportunities in the understanding of precautions are increasingly present in online trainings, yet these rarely address the specific needs of certified nursing facilities and residents of these facilities. There is lack of trainings specific to the needs of residents with cognitive impairment and dementia. Due to the unprecedented challenges associated with COVID-19, best-practices training is needed for staff at every level of care and administration for certified nursing facilities.

Learning Objectives

Upon completion of this educational activity, participants will be able to:

- Demonstrate the don/doff of personal protective equipment (PPE) to implement proper use.
- Identify specific medical concerns associated with transmission, early contraction, need for advanced care, and prevention methods relevant to COVID-19
- Implement behavioral strategies that promote social distancing within certified nursing facilities

Target Audience : ALL Certified Nursing Facilities personnel in Kentucky.

Archived, accredited dementia modules are available at www.cecentral.com/dementia

Expected Outcome

Utilizing a series of cases and direct instruction, participants will demonstrate newly acquired skills in the recognition of medical concern, proper use of PPE, and behavioral strategies for social distancing associated with COVID-19 in certified nursing facilities. These newly acquired skills will result in immediate improvement of care and decreased risk for older residents, specifically those with underlying dementia conditions.

CME

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Kentucky College of Medicine, Kentucky Office of Inspector General, and UK Sanders-Brown Center on Aging. The University of Kentucky College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Kentucky College of Medicine designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

ACGME Competencies

Patient care, Medical knowledge, Practice-based learning and improvement, and Interpersonal and communication skills

CNE

The University of Kentucky, College of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). This educational activity is offered for a maximum of 1.5 ANCC contact hours.

The Kentucky Board of Nursing (KBN) approves The University of Kentucky, College of Nursing as a provider as well. This educational activity is offered for a maximum of 1.8 KBN contact hours. Provider #: 3-0008-12-21-0032.

ANCC and KBN approval of a continuing nursing education provider does not constitute endorsement of program content nor commercial sponsors. The University of Kentucky does not approve commercial products.

In order to receive credit, participants complete CNE activity and complete the evaluation form online. Certificates may be printed once the evaluation is completed.

KBSW

This activity has been approved by the Kentucky Board of Social Work for 1.25 hours. KBSWSP 2019014

Other

UK Healthcare CECentral certifies this activity for 1.25 hours of participation.

Disclosures

All planners, speakers, authors, and reviewers involved with content development for continuing education activities provided by the University of Kentucky are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

Cancellation

The planning committee reserves the right to cancel or make substitutions in this activity. Special needs may not be accommodated if the participant does not indicate a need at least 2 weeks in advance of the program date.

MARK YOUR CALENDARS FOR THE NEXT PROGRAM!

“Nutrition, Feeding Behavior & Sleep Disorders: Diagnosis & Management ”

September 1, 2020 at 3:00 - 4:30 pm Eastern / 2:00 - 3:30 pm Central

UK Sanders-Brown
