The KEEN- CDC Program:

The Kentucky Enduring, Education & care Network for Collaborative Dementia Care series 2019-2021

UK Sanders-Brown
Center on Aging

This series is for ALL Certified Nursing Facilities personnel in KY

Connect from any-enabled computer, tablet, or smartphone using the Zoom webinar platform at
<https://zoom.us>

Learn from nationally known dementia experts and representatives from the KY Office of Inspector General (OIG)

KEEN-CDC Project

Over 5.5 million Americans suffer from Alzheimer's disease today and this number is rapidly increasing. The majority of healthcare expenditures related to dementia occur in the later stages of disease when patients are often living in the CNF setting. This project will provide a platform for delivery of care meeting CMS Long Term Care Requirements of Participation and providing practical tools needed to address deficiencies in CNFs.

The UK Sanders-Brown Center on Aging exists as a major resource for the Commonwealth, and is a national leader in efforts to improve the quality of life for older adults through research and education, and plays an instrumental role in providing educational programming for healthcare professionals in KY.

Registration Instructions

1. Go to www.cecentral.com/live/17061
2. Click on the Register Online button and complete the registration process. It is necessary for everyone viewing the activity (even if using the same device) to register individually. A Zoom confirmation email will be sent to everyone that registers with the activity link. There is no registration fee to attend this activity.
3. After registering for the course, you will be directed to <https://zoom.us>.
4. You don't need administrative rights to download Zoom to your computer. Just follow the prompts to download.
5. You may test your connection by clicking on the Zoom test web link <https://zoom.us/test>. You will also see what the Zoom interface looks like. If you have problems, Zoom provides a troubleshooting web link.
6. MOST IMPORTANT, print off the attached SIGN-IN SHEET that will be in the Zoom confirmation email and have everyone who attends at your location complete the information and email/fax the COMPLETED sign-in sheet to:

shbardach@uky.edu or
859-257-4233 (fax)

Accreditation

CME

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Kentucky College of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

ACGME Competencies

Patient care
Medical knowledge
Practice-based learning and improvement
Interpersonal and communication skills

CNE

The University of Kentucky, College of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

In order to receive credit, participants complete this CNE activity and evaluation form online. Certificates may be printed once the evaluation is completed.

Other

UK Healthcare CECentral certifies this activity for 1 hour of participation.

Disclosures

All planners, speakers, authors, and reviewers involved with content development for continuing education activities provided by the University of Kentucky are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

Cancellation

The planning committee reserves the right to cancel or make substitutions in this activity. Special needs may not be accommodated if the participant does not indicate a need at least 2 weeks in advance of the program date.

The University of Kentucky is Equal Opportunity Employer.
