Dear Great Hearts Monte Vista North Parents,

Books are at the core of a classical, liberal arts education. At Great Hearts Academies, it has always been the tradition for students to develop a personal library of books that they mark in, keep, and return to during their time at Great Hearts and which they will be able to treasure for years to come. We call these books “Classics to Keep.” Your child’s class will utilize these classics during the upcoming school year.

Parents and students are strongly encouraged to purchase these books for their own personal collections, so that they can write in them and keep them. Over the course of their academic career with Great Hearts, students will develop their own impressive personal library of classics. For families who do not purchase the texts, their student will be given access to a copy of these books as part of their curriculum. Students should not mark books provided by Great Hearts, and they will be asked to return the books in good condition once their class has finished working with the text.

Below is a list of the “Classics to Keep” organized by grade along with the specific ISBN’s for each text. This list of standardized editions will enable students to refer easily to a page number or specific passage during discussions.
