FOR IMMEDIATE RELEASE

Nonstop Plants: Create a Garden for 365 Days

WELLESLEY, MA, April 3, 2019: Join Massachusetts Horticultural Society (Mass Hort) for a fun evening and book signing with Margaret Roach that will be sure to raise your own garden aspirations!

On April 25 from 6 - 9 p.m. Margaret Roach, author and host of the garden-themed podcast, *A Way to Garden*, will deliver an inspiring and informative presentation, *The 365-Day Garden*. Learn to make a garden for all seasons following the 25-year story of Margaret's own garden that she has cultivated into a daily visual treat and a draw for birds and welcome wildlife. She will introduce you to the plants and the philosophy that make it happen, delivered with a dose of "horticultural how-to and woo-woo."

Additionally, we'll celebrate the reissue of Margaret Roach's first award-winning book, *A Way to Garden*. This all-new version is being published this spring, and copies will be available for purchase and signing at this event (before it's on shelves)!

Drinks, nibbles and book signing to begin at 6, presentation to begin at 7. For details and to register, please visit www.masshort.org or contact Katie Folts and 617-933-4973. \$30 for Mass Hort members, \$45 for general audience.

Massachusetts Horticultural Society is dedicated to encouraging the science and practice of horticulture and to developing the public's enjoyment, appreciation, and understanding of plants and the environment.
