**EVENT DESCRIPTION:** The Gardeners' Fair at The Gardens at Elm Bank is an event focused on the gardening enthusiast, the home gardener, and people who love plants and gardens. Mass Hort is inviting vendors to sell plants (perennials, trees, shrubs, fruits, vegetables, and flowers), garden hardscape, pots, containers, garden sculpture and furniture, tools, clothing, and other plant and garden-related goods.

**Please do not bring TOMATOES OR HERBS, as we have partners for these items.**

We are planning educational lectures, food vendors, kids' activities, and fun for the whole family. The Gardeners' Fair will be held at Mass Hort's The Gardens at Elm Bank location at 900 Washington Street, Wellesley, MA.

The Gardeners' Fair Event Promotion will include Mass Hort's web site, emails to over 5000 members, social media, banners, and flyers. Plan on promoting the Fair to your audiences to enhance attendance.
