

COMMUNITY MEETING

Learn About Upcoming Improvements to the I-5

OCTA and Caltrans are improving I-5 from I-405 to SR-55 in the cities of Irvine and Tustin. The project will improve mobility, enhance safety and reduce congestion along one of Orange County's busiest freeways.

OCTA's I-5 Improvement Project Community Outreach Team is hosting two community meetings on **Wednesday, April 8** and **Saturday, April 11**.

These meetings are being held to allow the community to ask questions about the project.
