

VALENCIA LAKES

ANNUAL CLUB REVALIDATION

Valencia Lakes Club Presidents: During the period between January 1 through January 31 of 2024 , clubs must revalidate their information by completing the Club Update form found on the VL website under the forms tab. Please submit the Club Update form even if no changes have been made to your club. This lets us know that your club is still active. If changes are made to your club information after January 31st a new form will need to be submitted.

Please contact the Valencia Lakes Lifestyle Dept. with questions or concerns.
