Free Stuff	We provide free information, homework help, videos and more on our website www.prepnorthwest.com .

What does the \$395 include?

The course includes:

- Eight, 2-hour lessons held at ICS,
- Four, 4-hour practice tests held at PrepNorthwest in Kirkland,
- All materials

Why four practice tests?

Taking practice tests is the foundation of one's score increase! Practice tests help students adapt to a four-hour test, practice the new tactics they are learning (in a timed setting by themselves), and learn from their mistakes. Students, be sure to look back at questions that were missed or skipped and ask, "What could I do differently next time to get that question correct?"

Will there be homework?

Yes. There will be approximately 3 hours of homework each week. Just like a hobby or sport, improvement comes with practice. Students' scores typically improve in relation to how much interest and how much work they put into the course.

What if I cannot attend a class or a practice test?

Before registering, please make sure you can attend all classes and tests. Each class covers a specific aspect of the exam (Reading Comprehension, Grammar, Essay writing, Math tactics, etc). If you would like to schedule a private lesson, please contact the PrepNorthwest office (\$100/hr for private coaching, \$49/practice test, \$55/academic lesson).

Who will the instructor be?

Molly Metz, one of the owners of PrepNorthwest will be teaching this year's courses. You can find photos and biographies of all of our instructors at our website www.prepnorthwest.com in the "About" section.
