

LSC Athlete Leadership Summit Grant Program

Purpose: Create an athlete leadership program for high school age athletes that is hosted by the LSC.

Funding: \$30,000 for the program in 2020 (approximately funding 15 LSCs)

This program is to be jointly funded between USA Swimming and an LSC. The LSC can apply for a grant of up to \$2,000. The LSC must support the program with a matching amount equal to a minimum of 50% of the money requested from USA Swimming. (Example: if requesting \$2,000 from USA Swimming the LSC must match with a minimum amount of \$1,000). Preference will be given to LSCs that support the program with an even matching amount. Depending on the number of LSCs that apply, USA Swimming may attempt to spread the funding available to more LSCs.

Grants will be disbursed from USA Swimming to the LSC in one payment at the end of the year upon timely submittal of the appropriate paperwork. LSCs will be required to submit an accounting (receipts, invoices, etc.) of any expenses that they paid prior to receiving the final payment from USA Swimming.

USA Swimming and the Athlete Executive Committee will provide guidelines for how the program is to be administered. LSCs must follow the guidelines and can customize parts of the summit to fulfill their athlete's needs.
