

# THE STATE OF TEXAS

## GOVERNOR

*To all to whom these presents shall come, Greetings:  
Know ye that this official recognition is presented to all observing*

### Emergency Medical Services for Children Day

May 18, 2022

*Across Texas, from our most populous cities to our most rural communities, emergency medical personnel stand ready to aid Texans in need. These brave first responders are everyday heroes who provide comfort and medical care to citizens of all ages in the initial—and often most crucial—stages of medical crises.*

*Each year during Emergency Medical Services (EMS) Week, local communities and medical personnel set aside one day to focus on raising awareness about the need for increased specialized emergency care for children. These dedicated professionals go above and beyond to provide high-quality and compassionate care for some of our most vulnerable Texans: our children.*

*At this time, I encourage all Texans to recognize the important work of EMS practitioners and the entire pediatric emergency care profession, appreciate the vital contribution they make in safeguarding the health, safety, and well-being of their communities, and advocate for the continued importance for specialized emergency care for children.*

*First Lady Cecilia Abbott joins me in wishing you the best.*

*In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 5<sup>th</sup> day of April, 2022.*

Greg Abbott  
Governor of Texas
