

This has been one of the most challenging years since I became the Club owner 16 years ago. In September of 2019 my wife of 33 years, Debra, passed away. In March the pandemic forced us to quarantine and close our doors for several weeks. Through the generosity of our members, we have been incredibly fortunate to re-open the Club, bring back all of our staff, and continue to run our popular programs as we move into the indoor season. I am extremely thankful for all our loyal members being there to help us weather this storm and we look forward to a brighter year ahead.

With the indoor season upon us, permanent court times have begun and we are happy to see everyone's smiling faces in the Club. Meadow Creek will continue to offer a complete array of organized tennis programs for adults and juniors. These include drills, in-house leagues, socials, junior development classes and more. We also plan to host our popular Super Drill socials: the Pilgrim Drill and the Reindeer Games Drill. Please join us for these fun get-togethers and burn some much-needed calories around the holiday season. Our programs have something for players at every level and we would love to help get you involved. If you have any questions please call the Club or stop by the front desk and we will be happy to help. You can also get details about our organized tennis programs in our Adult Program and Junior Program brochures, both available in the Club or on our website at [MeadowCreekTennis.com](http://MeadowCreekTennis.com).

In addition to the resumption of our tennis programming, the gym is now available for use by members as well as for training with our personal trainer/strength and conditioning coach, Ryan Griffin. Ryan is enthusiastically available to help you achieve your fitness goals during individual or small group training sessions. You can schedule a free 1-hour assessment with Ryan by calling him at 850-324-3856.

Health and safety continue to be a top priority at the Club and we have taken numerous measures to ensure the well-being of our members and employees. We are thoroughly disinfecting the Club utilizing a special germicidal, antimicrobial disinfectant that is proven to kill the Coronavirus on all of the highly touched surfaces. This includes the workout equipment which is cleaned multiple times per day by our staff, as well as nightly cleaning by our professional cleaning crew. Masks must be worn inside the Club at all times and we continue to ask that people practice social distancing and maintain a minimum of 6 feet apart whenever possible. The upstairs lounge area, showers and hot tubs remain closed until further notice, although you may use the locker rooms to change, use the restroom, and wash your hands.

I hope all of you have been able to stay safe and healthy and I look forward to seeing you in the Club soon. Thank you again for your patronage and choosing Meadow Creek Tennis & Fitness Club as your tennis home.
