

SPRING **ACE IT**

Are you tired of being the underdog when you step on the court?

Place your bet on our Spring Ace-It Clinic and be ready for the start of leagues!

Our Spring Ace-It clinic is back and we couldn't be more excited! For 6 weeks this Spring, you call the shots! We will customize your clinic to fit your needs. Tell us what's lacking in your hand:

- ♥ Looking for strategies to deal with the chronic poacher?
- ♥ Puzzled on what to do with that annoying lobber across the court?
- ♥ Do you bluff your way through volleys?
- ♥ Does your serve not cover the spread?
- ♥ Are your overheads a little too wild?
- ♥ Does your doubles strategy get trumped easily?

The answer to these and just about any other bad hand can be dealt with in our **Spring Ace-It** clinic. Clinics start the week of March 7th and end just as the USTA 18+ league kicks off.

Register individually, as a doubles-duo, or bring your entire team for this ace-in-the-hole clinic! We will shuffle things around to find a time and a pro to work with you and/or your group.
