

HOW TO READ THE BIBLE

In the Bible God speaks to you. In prayer you can respond to him. By combining the two, you can have a regular conversation with God.

1. **Pray** before you read the Scripture passage, asking God to help you understand his Word.
2. **Read** the Bible passage carefully. If you have time you may want to read the passage more than once or look at the surrounding passages for context.
3. **Reflect** on what you've read. It may help you to ask, "What was the main point of his passage? Which verses relate to my life now?"
4. **Apply** to your life what God teaches you from his Word. Take some time to think this through. Did the passage contain an example to follow, a warning to heed, a promise to claim? How should this affect your thoughts and actions?
5. **Pray** again asking God to help you live out his Word. This time, turn what you've learned into prayers. Also pray about your needs and the needs of others. Thank God for answers to prayer.
