STUDENT LEADERS

Earlier this month our student leaders were able to attend their ambassador training which took place in the Garden room. While in attendance, our students were asked what they liked about being in a leadership position at school. "I like that I get to meet new people and help others. I also like to show people what our school is about." senior Becky Negus said. Negus, who is also a Christian Leader at school, added on her thoughts of being a member, "It's fun..., it's amazing to learn the background of our church and our community."

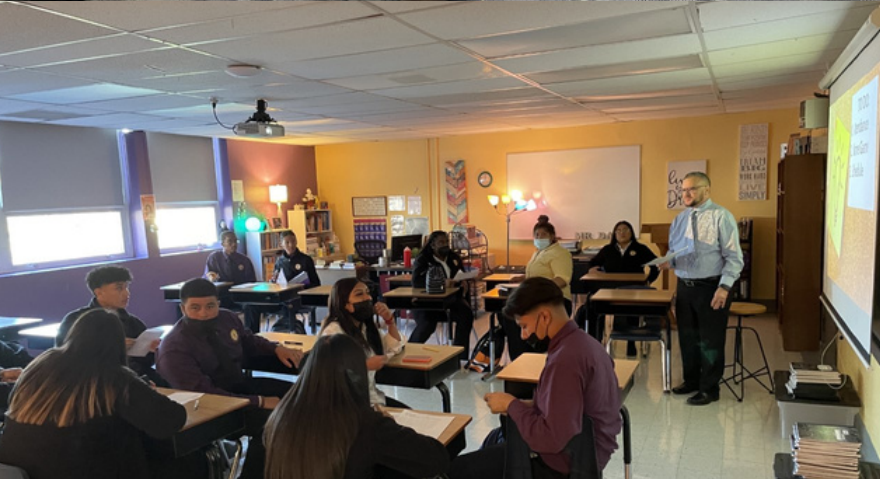

ANNUAL CRISTO REY RETREAT

Faculty and staff met this past Friday for our annual Cristo Rey retreat prior to starting the 2022-23 school year. "This we know all things are connected ..", was the theme of this year's retreat. The event included inspiration from Sister Maureen from the Sisters of Charity of Leavenworth as well as a presentation on Integral Ecology from Rebecca Metz and John Shively coordinators of the Office of Justice, Peace and Integrity of Creation. The day ended on a beautiful, spiritual note , when the leaders of Cristo Rey got to share in on the experience of lighting the candle of vision in the University of St. Mary's Annunciation Chapel .

FIRST DAY OF SCHOOL

**A great start to the school year here at Cristo Rey Kansas City!
From meeting their new teachers to mingling with friends and eagerly
walking the school hallways, our Pumas brought renewed energy to the
building. We missed you Pumas, Welcome back! Together, let's look
forward to the good that is yet to be....**
