

A Letter From The National Office Young Adult Service Communities & Summer Communities Programs for 2019-2020

Peace and Greeting for the United Church of Christ Humanitarian & Development Team, we would like to update you on the Young Adult Service Communities Program and Summer Communities of Service Program. **Both programs are still accepting applications. Each program provides an opportunity to travel, receive loan assistance, internship credit, leadership training, networking and serve in intentional community.**

Young Adult Service Communities (YASC) are unique opportunities for you to live in intentional community with others who share your commitment to service and social justice. Young Adult Service Communities are leadership programs for young adults aged 21-35. Participants live and serve fall through summer * start dates vary according to location. **Sites for 2019-2020 are Miami, Connecticut, Miami and Minnesota.** Housing, food, living stipend, health insurance are provided. Together, you will find the space to reflect on questions of meaning and to network for change. Young adult leaders are transforming communities through a faith-inspired pursuit of justice, collaborative action and intentional living.
