

# METCO Alumni: Mentor a current METCO student

Big Brothers Big Sisters of Massachusetts Bay is teaming up with METCO Headquarters to support today's students. **We need your help!**

## HOW?

Through this new program, you will have the opportunity to develop a friendship with a child **between the ages of 7-12** who is currently enrolled in the METCO program. The two of you to bond over similar life experiences.

## WHAT?

Get together with your match twice per month for a few hours at a time and take part in low- to -no cost activities that interest both of you. Go for a hike, get ice cream, or hang out at your house and watch movies—whatever the two of you would enjoy. These relationships are more about being present and in the moment than planning extravagant outings.

## WHY?

As an alum of the METCO program yourself, you know what these children are experiencing. They will benefit from the lessons you learned, the memories you cherish, and the understanding you'll provide. Hundreds of students would love a METCO alum Big Brother or Big Sister right now.
