### Progression of Dementia: What Skills Remain

**Tuesday, June 18 • 6:30-7:30 pm**

**OAK PARK® Place Green Bay**  
**Lombardi Hall • 421 Erie Road • Green Bay, WI**

Often the progression of dementia is measured in stages and focuses on lost skills, but this doesn't give us the tools to provide care and support. The GEMS State Model will help you gain deeper insight into the experience of a person with brain changes and shift your support accordingly.

#### **Presenter: Sheri Fairman**

*Sheri is a Certified Champion Teacher, Independent Trainer, Consultant and Coach with Teepa Snow's Positive Approach to Care and works as a Mentor on her team. She is the owner of Dementia Care Solutions and provides consulting, coaching, training, and presentation services specific to dementia care.*
