

Silver Fighting Colts Tennis Wraps up a Successful 2025 Season

After battling it out all season against Santa Teresa, Chaparral, Deming and Hot Springs, the boys team from Silver City are this year's District 3-4A Team Champions with a 7-1 record. They actually tied in record against Santa Teresa but it came down to counting individual games between the two duels. If they had tied at that point it would have come down to a coin toss!

In individual play, SHS freshman Hadassah Mathieu is now a 2-time District Champion in girls singles. She continues to have an undefeated district record!

In boys doubles, Aiden Hooten and Keanu Wilson (#2 district seed) came up against teammates Dane Konopnicki and John "Jax" Campbell (#1 district seed) in the championship round! It was a close one but Hooten and Wilson came out on top making them the 2025 Boys Doubles Champions and their teammates runners up.

"This is the first year, in my 4 years of coaching so far, that we qualify for state as a team (boys). We've qualified around 5-6 kids for the individual state tournament every year; this was our best season yet. We also had a few get 4th place finishes qualifying them into the alternate category. We have a really strong girls and boys team coming up next year too! We are so excited and proud of how hard these athletes have worked." - SHS Head Coach Liz Harrison
