9. CHOICE OF ENDS & SERVICE (rules of tennis 2021)

The choice of ends and the choice to be server or receiver in the first game shall be decided by toss before the warm-up starts. The player/team who wins the toss may choose:

- a. To be server or receiver in the first game of the match, in which case the opponent(s) shall choose the end of the court for the first game of the match; or
- b. The end of the court for the first game of the match, in which case the opponent(s) shall choose to be server or receiver for the first game of the match; or
- c. To require the opponent(s) to make one of the above choices.

**** Update for remaining 2021 Advancing Leagues****

Returning to tennis post Covid - The USTA National Committee has relaxed eligibility requirements (as of 4/21/2021) allowing Sections to adjust competitive formats for the remainder of the 2021 league season. The Southwest Section has elected to allow each Region to make changes as appropriate to their leagues.

What this means for NAZ:

Self-Rated and Appealed Computer Rated players will only need to play 2 matches (instead of 4) to advance to Sectionals (NO defaults included) AND the same applies to Nationals eligibility. Considering 40% of NAZ's current 18 & Over players fit these categories - this is GREAT NEWS!

Upcoming: USTA Summer League Mixed Play

Players, start putting together teams for this fun, social, and competitive League!

USTA membership required!

Combo Flights of 6.0, 7.0, 8.0 available - need two teams to make a viable League

3 Lines of Doubles

League Season runs June 26th - August 15th

SW Sectionals in September - Surprise, AZ
