**ATA Newsletter**

**Big Thanks** to Greg and Gail for removing the shredded wind screens on court 6. Greg will be looking for a cool morning to put up some new wind screens. Please contact him if you would like to help. Also a huge thank you to Greg & Gail for replacing the rotted wood on the shed door. So much behind the scenes work, we are very appreciative of all you do.

**Roadrunner Tournament** is coming up in October for youth players. Scheduled for Saturday, Oct. 4 here in Alamogordo. Janet Santackas is the tournament director. Help is needed for this event. please contact Janet directly or let the board know if you are willing to donate a few hours. Depending on the entrants for the 10 and under events, we always need “friends of the courts” to assist younger players with their matches. Training will be offered for volunteers, but it is not difficult and is a lot of fun to watch these young players.

**Fall Tennis, ATA** will be offering a fall tennis again for youth probably beginning the week of Oct. 19. Be on the lookout for more information on this. Ball feeders are always needed, if interested, please email the ATA.

**Tennis 123:** We are going to postpone the beginner adult clinic, Tennis 123, until after the holidays.

**Saturday tennnis:** Beginner and intermediate players have been showing up to play on Saturday mornings. All ATA players and other interested players are encouraged to come join in. Currently we are starting at 8:00 (which may change as the weather gets cooler) and we've been playing on courts 5 & 6.
