**ISRAELI
APARTHEID WEEK
2019**

WHO'S PULLING THE **STRINGS?**

- **Israeli Apartheid Week Pushed by Terror**

IAW held on university campuses and at venues throughout the world is largely coordinated by the BNC (BDS National Committee), [a Ramallah-based coalition](#) in part made up of [US](#) and [EU](#)-designated terror organizations. While activists claim that IAW is a grassroots initiative, the campaign is in fact largely guided from above by the **terror-led BNC**, which decides on the exact message, creates relevant hashtags and serves as the central source of information propagated during each IAW.

- **BNC is Led by a Terror Coalition**

Hamas, the Popular Front for The Liberation of Palestine (PFLP), the Popular Front – General Command (PFLP-GC), the Palestine Liberation Front (PLF), and Palestinian Islamic Jihad (PIJ) are all members of a [terror coalition known as PNIF](#) (Palestine National Islamic Forces).

[PNIF is a member of the BNC.](#)

- **Israeli Apartheid Week Condones
Terror**

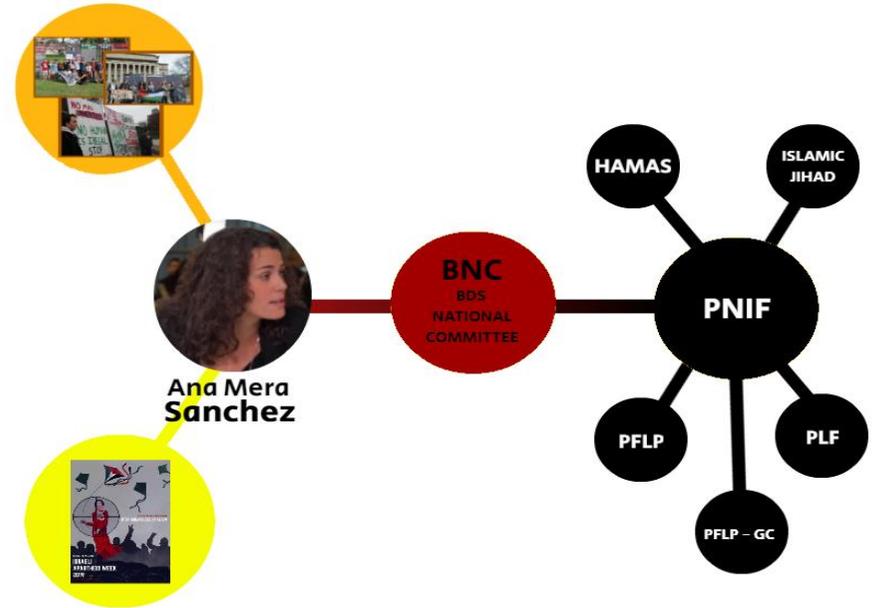

[The handbook](#) distributed for IAW features a cover illustration depicting a Palestinian woman flying a kite while seemingly in the crosshairs of an Israeli sniper. This misleading portrayal both overlooks the terroristic nature of flying burning kites into Israeli civilian territory and lends legitimacy to its continuation. This is a deliberate effort to gloss over the violent motive that has characterized Gaza border riots and to mislead readers.

WHO'S PULLING THE STRINGS?

- BNC Directs IAW Activists and Organizers**

The terror-led BNC provides core guidance and assistance in organizing and planning the week's events. In [IAW's official handbook](#), for example, which is published on IAW's website, activists are instructed to contact Ana Sanchez, the international campaigns officer at the BNC for assistance (See chart). Ana Sanchez has openly supported acts of terror against Israelis and supported convicted terrorists such as [Leila Khaled](#), a member of the PFLP.

The handbook also recommends protest tactics, preferred activities, speakers and workshops. Further, it directs readers to the anti-Israel hashtag used by IAW's activists worldwide such as #IsraeliApartheidWeek #StopArmingColonialism.

- The Original Group Behind IAW**

The first IAW that took place in Canada in 2005 was co-organized by Al-Awda ([See poster](#)). Al-Awda is part of a larger coalition that later became a member of the BNC and remains a member to this day. Therefore, the very concept of IAW is rooted in a shared ideology with the BNC.
