AMERICA DAYTON
OHIO

HELP CREATE A COMMUNITY OF WELL-BEING

**JOIN THE CONVERSATION,
AND BE THE CHANGE YOU WANT TO SEE**

We believe in a Dayton community where everyone has the opportunity to realize their full potential. Your voice matters if we are going to make the region more equitable and more economically viable for those who have been left behind or left out.

*"You never change something by fighting against the existing reality.
To change something, build a new model that makes the old model obsolete."*

- Buckminster Fuller

- ? If our goal is to create a great leap forward in the well-being of the people who live here, what is something that is currently impossible that if it were possible, would make a significant difference?
- ? What does well-being mean to you?
- ? How do you see your own well-being connected to the well-being of others?

Focused in Montgomery, Greene, Miami and Preble Counties, Re-Imagining America is a citizen-driven change movement to re-imagine and co-create a community of well-being that transcends economic injustice and systemic racism.
