

You can sync Google Calendar with the Calendar app that comes on your iPhone or iPad.

1. On your iPhone or iPad, open your device settings.
2. Scroll and tap Passwords & Accounts.
3. Tap Add account ➔ Google.
4. Enter your email address ➔ Next.
5. Enter your password. If you don't have the latest operating system and you use [2-Step Verification](#), enter an [app password](#) instead of your regular password.
6. Tap Next.
7. Emails, contacts, and calendar events will now sync directly with your Google Account. To sync only your calendar, turn off the other services.
8. Open the Calendar app on your iPhone to find your Google Calendar events.

To sync with an existing account, tap the account and turn on Calendars.
