

Dear St. Monica Families,

We are thrilled to introduce Vidigami! St. Monica's new platform for photo sharing and community connection, available exclusively to St. Monica parents and guardians.

From the first day of school to daily classroom moments, field trips, and performances, Vidigami helps you stay connected to your child's experience at St. Monica. You will see both the big milestones and the quiet, meaningful moments that make up their journey here.

A Private, Invitation-Only Community

Vidigami is a closed, invitation-only platform, not social media. Only approved St. Monica families and staff have access. We ask that all members respect the privacy of our school community. Media is for personal use only, and public distribution is not permitted.

Getting Started Is Easy

- **Activate your account:** Check your inbox or spam folder for an email invitation to get started. Look for your invitation on Monday, October 12th.
- **Download the app:** Install Vidigami on your phone, tablet, or log in at vidigami.com.
- **Explore your child's pages:** View, favorite, and tag photos once logged in.
