Help our students bloom with Safety Upgrades

No matter how near or far you are, we are so grateful for you - our grandparents - and the role you play in our children's lives, including their education and safety.

For more than 60 years, St. Monica Catholic School has provided an education rooted in faith, community and academic excellence. This school year St. Monica has prioritized improving campus safety and emergency preparedness.

This Grandparents Day, we invite you to make a donation towards the costs incurred by the school for safety and security needs including: Dallas Police Officers on site daily, on-going staff training, safety supplies and needed safety improvements.

Corporate Matching

Many companies match charitable gifts made by their employees, retirees or board members. Please check with your HR department to see if your employer has a matching program and if this gift would qualify.
