Introducing the June Cooper SMART Center!
SMART: St. Monica Academic Resource and Technology Center

In keeping with St. Monica Catholic School's mission and philosophy,
the SMART Center is here to support our students.

Here is what we are excited to offer to meet our students' needs:

Enrichment - Amy Melle

- SAGE (small group enrichment) for identified high-achieving students in multiple grade levels

Literacy Support- Erin Warnick, Lori Luna

- Dyslexia Therapy-Scottish Rite Take Flight Program
- Students in the lower grades identified as at risk readers or diagnosed with dyslexia are offered placement in the program.

Academic Support- Karen Smith, SMART Center Director

- Content Mastery Support
- Literacy Support- Fountas & Pinnell Leveled Literacy Intervention

Counseling- Maureen Kirgis

- Academic Planning for Students
- Virtue Based Restorative Discipline (VBRD)
- Responsive Services
- Anxiety Counseling

Executive Function Support-Lori Luna

Testing Accommodations- Pam Schulte

- Small group or oral testing for students with specific accommodations

Technology Integration-All SMART Center Staff

- Google Classroom and Seesaw integrated lessons when appropriate
- iPad apps and digital tool usage to mirror similar lessons in homeroom classes

We are so excited to share the amazing things happening in our SMART Center!

More details to come soon with guidelines of how we will support students' learning on-campus and off-campus during this first quarter.
