

Parents,

First of all, thank you for your incredible patience and knowing that we are relaying information as quickly as we can.

**On-campus Learners Grades 3-8:**

Good news! There is no need to worry about device pick up. They will be distributed during school. We will still need a completed "Digital Device Acceptable Use Agreement" for grades 3-8. Devices will not be released until this form has been submitted. Parents can access the "Digital Device Acceptable Use Agreement" through the "[\*\*Family Portal\*\*](#)". Once you have logged in under "School" select "Web Forms" and then select "Digital Device Acceptable Use Agreement".

K-2 students will discuss acceptable use once instruction begins. No form is required at this time.

**All Virtual Learners:** (*you should have received this information in an earlier email today*)
