

Celebrating our Seniors

The Trojan Bowling team won its first regular season match in over 15 years (last season Trinity had a competitive team) with a win over Cleveland Central Catholic at Roll House in Parma Saturday morning. Senior Josiah Rhodes had his season best 146 to lead the team. Seniors Nico Benedictis , Abi Close, Adrianna Domiano-Wooten , and Josiah were recognized at halftime of the Trojan Boys Basketball game last Friday night.

The team will participate in the Don Reeves Memorial Tournament next Saturday, January 28th at the Roll House in North Olmsted before competing in the OHSAA Tournament on February 4th at Brookgate Lanes.

IMPORTANT REMINDERS:

- **January 30th - Spirit Week Begins (Twin Day)**
- **January 30th - Girls basketball at home (Senior night)**
- **January 31st - Boys Basketball at home**
- **Feb. 1 - Boys Varsity Wrestling Tri-Meet at Kent Roosevelt**

Getting to Know;

**Athletic Director
Mr. Tony SanFilippo**

It is hard to believe that I am in my 29th year at Trinity High School! I graduated in 1988 and was a History teacher and now Athletic Director for the past 25 years. When I think of Trinity, I always think about FAMILY. My two nieces, son, and daughter are all graduates of Trinity and my mother was a Theology teacher here for many years.

Prior to becoming Athletic Director in 2013, I taught World History, United States History, American Government and AP U.S. History. I was an assistant football coach for a few years and the Head Wrestling Coach for 10 seasons.

Since taking over as AD, we moved into the highly competitive and strong Chagrin Valley Conference with 24 other schools in six different counties. We added bowling this year for the first time since 2008! It is very enjoyable to watch our student-athletes compete on the fields, court, mats and track each year. I am extremely grateful for all the people I have met and work with through the years. I look forward to seeing our programs continue to grow, compete, and produce well rounded young men and women.

Winter Sports Keeping our Athletes Busy

Basketball

Last Friday night the boys played an intense game against Cardinal High School beating them in overtime with a final score of 57-55.

Tuesday night was a Varsity doubleheader with girls playing first at 5:30 beating Cuyahoga Heights 47-36.

Varsity boys played immediately after the girls game falling to Cuyahoga Heights 52-45 but playing a hard-fought game overall.

Bowling

Bowlers finished their regular season with a record of 1-9 beating Central Catholic in their last regular season match-up. Malissa Aaron had her season high score of 139 and Josiah Rhodes rolled a personal best of 146.

Seniors Nico Benedictis, Abi Close, Josiah Rhodes and Adriana Domiano Wooten were all recognized again on Saturday. They're at the RollHouse in North Olmsted this Saturday.

Cheerleading

Varsity Cheerleaders got a chance to cheer for the Lady Trojans again on Tuesday with the doubleheader. They stayed to cheer the boys right afterwards.

College Credit **PLUS**

Annual Notice for 2023-2024 School Year

This article provides notice of the College Credit Plus program to Trinity High School students in grades 9 through 11 and their parents by February 1. This information will be posted on the school's website, and written communications including those generally distributed to students, course booklet, student assembly, or information night.

College Credit Plus Costs:

- (a) College Credit Plus opportunities have no cost to students, including the free option to attend public institutions of higher education. School districts have the option to seek reimbursement for the tuition the district has paid to the college on behalf of the student if the student receives a non-passing grade or withdraws after the no-fault deadline date.
- (b) There is potential cost of participation with a nonpublic/private institution of higher education. Private colleges/universities have the option of charging a minimal fee to students.
- (c) Students who are economically disadvantaged who choose to attend a nonpublic institution of higher education cannot be charged a minimum fee.
- (d) Trinity High School is a nonpublic/private school. For students attending nonpublic/private secondary schools, students must apply for state funding to participate and this funding may be limited for students.

(ii) Criteria for student participation, including, but not limited to, the following:

- (a) Parents and students must participate in a counseling session prior to participation (which may be included as part of the Information Session).

(b) Important Notice:

"Students must submit a written notice of their intent to participate in the upcoming academic year, by April 1, in accordance with section 3365.03 of the Revised Code, but may submit the written notice of intent to participate as early as February 15. Students desiring to participate in College Credit Plus in the summer are strongly encouraged to submit letters of intent and begin the admissions process starting in February and prior to the April 1 notice of intent deadline in order to improve chances of meeting summer registration timelines."

For students attending nonpublic/private secondary schools, students must submit their intent to participate within the funding application.

Appeal Options when missing the April 1 deadline:

Any student who fails to provide the notification by the required date may not participate in the program during the following school year without the written consent of the principal, or equivalent. If a student seeks consent from the principal after failing to provide notification by the required date (April 1), the principal shall notify the Ohio Department of Education of the student's intent to participate within 10

Ohio's College Credit Plus can help you earn college and high school credits at the same time, for little to no cost, by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. For students attending nonpublic/private secondary schools, students must apply for state funding to participate, and this funding may be limited for students.
