Who We Are

As Chadash brings the communities of Shomrei Torah Synagogue & Temple Aliyah together to explore a new model of Jewish communal life, our Jewish Teen Learning Center will serve as a nexus for post- B'nai Mitzvah engagement. We are committed to ensuring a strong Jewish future by providing an affordable & easily accessible Jewish education for non-day school students, throughout their teenage years.

We invite Jewish teens (8th-12th grade) throughout the San Fernando Valley and Conejo Valley to join us for a variety of innovative programs featuring: diverse guest speakers, roundtable discussions on contemporary issues, and leadership training, in a dynamic social environment.
