Gertrude Hawk Candy Bar Fundraiser

~ Gertrude Hawk Candy Bars are sold in full cases of 48 bars per case. Cases cost \$48.00 and students earn \$18.20 towards their account per case.

~ Contact one of the chairs to place your order. Make arrangements for pick up. Pay for candy at the time of pick up. Checks should be made payable to NHSIMB. Be sure to write "Candy Bars and your students name" on the memo line of the check, to ensure your student gets credit. Cash is ok, but personal checks are preferred. If cash, no coins please.

~ Cases come in a mix of 48 bars. We have two mixed cases available: Kid Mix & Adult Mix. Our mixes are based on past fundraising experience and changes in flavors offered by Gertrude Hawk. There may be times a mixed case will be slightly different in the event something is out of stock or if we change our mix based on feedback. You will always receive a good mix!

~ You can get full cases of one type of candy. Solid cases need to be ordered, so please give advance notice if you would like a full case of one type of candy. Full case flavors are: Milk Chocolate, Caramel, Crispy, Peanut Butter, Sea Salt Caramel, Toffee Almond, Dark*, Coconut Custard*, Mint*, Raspberry*. (* = Dark Chocolate, no asterisk = Milk Chocolate)

~ ***Please, DO NOT ask us to make up a case of candy with a custom mix.*** If you would like to mix and match, please find another band parent who may want to trade with you. We suggest you post your request on our NHSIMB Facebook page. This has worked successfully in the past.

~ ***Candy is not returnable once it leaves a co-chair's house. Sorry, no exceptions.***
