WE NEED YOUR HELP!

Due to the transfer of pit equipment and the travel of students and staff from the practice field / stadium, I need to ask for your cooperation with the following procedures with regard to parking / pick-up and drop off of students for our marching band rehearsals and performances. Your help in this regard will be much appreciated by all. Thank you.

Sincerely,

Michael Lipton
Instrumental Music Director

DROP OFF

Please pull down toward the red auditorium doors to stop and drop students for rehearsals / performances. Stopping by the band room lot causes a back-up of cars trying to turn into the main driveway.

SMALL PARKING LOT OUTSIDE BAND ROOM

This lot is to be used by Marching Band Staff, Instrumental Music Booster Exec Board and Uniform Chairs only. No students should park in this lot at anytime. I ask that parents waiting to pick up students DO NOT park in this lot or block the entrance to this lot.

DRIVEWAY IN FRONT OF MUSIC ROOMS / AUDITORIUM

Please DO NOT park along the curb in this area of the main driveway. Between the parked cars and the exiting traffic, it becomes impossible and dangerous for our pit members to transfer the equipment to the auditorium entrance and then return the carts to the storage shed.

SUGGESTED PICK-UP PARKING AREAS:

1. Lot in front of band room / auditorium.
2. Park in Stadium lot and have students come to you (quickest and easiest exit).
3. Lot near The Learning Center (make right at top of drive).
4. Bus Lot Parking Lanes. (Not along curb - turn right at top of driveway, go around behind school and come up into that parking area)

AWAY EVENTS

Please DO NOT park along the curb in front of the music area to pick up students after away events as the busses will need to pull up along the curb for students to unload.
