FALL PLANTERS

GIANT FALL MUMS

Our fall mums are show stoppers at 2 to 3 feet tall and wide. Invite autumn to your doorstep with these gorgeous mums that bloom for weeks.

LOCALLY GROWN

Pumpkins, gourds, straw bales, and corn stalks are available for order as well. All our fall decor items are grown right here in Meeker and McLeod counties, supporting our local farmers.

WINTER PLANTERS

FESTIVE & BRIGHT

Spruce tops, firs, dogwood twigs, hydrangeas, birch poles, and a variety of other items come together to make a planter that will decorate your doorstep all winter long. Let mother nature send snow, ice, wind, and rain - this planter will look great through it all.

GARLANDS & WREATHS

We sell a variety of garlands & wreaths in different sizes and shapes to decorate your doorway too.
