Dinner al fresco in Downtown Worcester! The Theatre Café hosted their third outdoor summer dinner event. Diners enjoyed delicious food, fabulous music, and a relaxing summer vibe.

Drive-in moviegoers enjoyed an outdoor showing of "Jumanji" and a special visit from the Worcester Railers' own mascot, Trax, who helped the Ambassadors welcome attendees.

What a wonderful and safe way to spend a summer evening--at the drive-in movies! Ambassadors worked hard behind the scenes with event set-up and breakdown, helping to ensure a successful experience for all.

Ambassadors took advantage of the beautiful weather to clean and paint utility boxes throughout the district. It's the little things that make such a big difference.

Our Ambassadors have been working closely with small businesses and building owners to remove graffiti safely and effectively throughout the city.

Cleaning and disinfecting in the Downtown Business Improvement District is a never-ending process. The Ambassadors are out in force daily to ensure the safety of visitors and residents alike.
