***Worcester Public Library Adds Free Streaming Music Service***

Stream music anytime with Freegal Music and your WPL card.

Worcester, MA – If you have a Worcester Public Library card, you can now stream music on Freegal, 24 hours a day, seven days a week. Freegal Music is our free digital music service that gives you access to over 15 million songs from more than 200 different genres, including Sony Music's catalog of legendary artists. The collection also features music videos and audiobooks. Streaming is unlimited and you can download up to three songs each week.

Users can also create and save playlists and share them with others. Freegal Music is free and easy to access from your computer or mobile device. All you need is your WPL card and PIN. There are also iOS, Android, and Amazon apps available to download for your mobile devices.

"Compared to other free music streaming services, Freegal provides more songs for all ages, without any ads," said Pingsheng Chen, Public Services Coordinator. "In addition, library users can download three songs a week to a device of their choice, so they can still play their favorite songs when there is no internet connection."

Freegal Music is just one of the many free resources offered by WPL. For more eResource offerings visit <https://mywpl.org/digital-downloads-0>. For additional children's eResources visit <https://mywpl.org/kids>.
