

**Rhodes School**  
for the Performing Arts

**Wednesday, May 1, 2024**

Dear Parents,

It is with great optimism that I share with you an important district update. After careful consideration and with the utmost confidence in our collective vision for excellence, Rhodes School for the Performing Arts has decided on a significant step towards progress and unity. The Humble campus and the Northshore campus will co-locate on the Northshore campus for the 2024-2025 school year.

This decision is a testament to our commitment to growth and improvement. We firmly believe that by taking a step back, we are paving the way to move forward in a manner that will only strengthen our beloved district. The consolidation of our campuses will allow us to harness all available resources more efficiently and effectively, ensuring that every scholar receives the best possible education and opportunities for artistic expression.

Moreover, this move represents a bold declaration of our dedication to fostering a sense of community and solidarity within our school family. By coming together under one roof, we are not only enhancing collaboration among scholars, teachers, and staff but also fostering a supportive environment where everyone can thrive and succeed.

We understand that change can be daunting, but rest assured, every decision we make is guided by our unwavering commitment to the well-being and success of our students and families. To further demonstrate this commitment, we are thrilled to offer transportation based on availability for families wishing to join our Northshore campus. Our goal is to ensure a smooth transition for everyone involved, and we are here to support you every step of the way.

Best Regards,  
Ashley Miller, M.A., CCC-SLP

RSPA Superintendent
