

OCTOBER 26, 2024 1-4 PM

5151 MITCHELLDALE SUITE B10 713-686-6300

A Study of AA's interactions with the public.

Learn how AA informs the public about what AA is and isn't. What information is presented to the professional community? How is this information tailored to the specific audience receiving the information? Get information on how you can help identify opportunities for these committees to spread information about AA to those who can best help still suffering alcoholics.

Learn How PI and CPC Committees Function
