

## ***Who's Ready to Shop????***

The Marketing Committee had a super great brainstorming session, where we discussed your many suggestions for new items to be added to the TAF online store. While it's taking us a bit longer than anticipated to finalize and receive our inventory, we can assure you that it's going to be worth the wait! We anticipate our Online Grand Opening sometime in September... In the meantime, we still have sweatshirts available!

Over the next several months, you'll see us adding running shirts, hats, travel beverage holders, flip flops and MORE. We can't tell you what will be added first (because we REALLY like surprises!) but we'll be ready to do a live reveal on social media when our stock arrives. What are you hoping to see? Send your ideas to [info@theaubreyfoundation.org](mailto:info@theaubreyfoundation.org) and your idea just might be added!
