

The Aubrey Pappas Memorial Scholarship Committee had a virtual meeting on May 11, 2020 to select the 2020 scholarship recipients. Everyone on the committee was moved by the 27 essays that were received. The committee described the essays as “Inspiring, Exciting, Moving, Humbling, Hopeful, Perseverance, Intriguing, and Full Circle.” We want to thank all 27 NBTHS seniors that took the time and wrote essays to be considered for this year’s scholarship during such a trying time. Five students will be awarded \$1,500 each to put toward their future education as they continue to #LiveLike Aubrey. The scholarship recipients will be announced next month. Stay tuned for our June newsletter! Congratulations to the NBTHS Class of 2020!
