

SPONSOR SPOTLIGHT

We want to say **THANK YOU** to this year's **FIRST Purple for Pappas 5K** race sponsor:
LaBebe Restaurant of North Brunswick, NJ!

LaBebe Restaurant has supported The Aubrey Foundation through sponsorship for several years now and we are so grateful for their continued partnership. We love LaBebe's delicious Mediterranean cuisine, wonderful drinks, cozy and modern ambiance and friendly atmosphere and we especially love that LaBebe is owned by local residents and the authentic story behind their business. Please visit their website or dine at their restaurant to learn more about the wonderful people behind this establishment. <http://www.labeberestaurant.com>

Interested in becoming a sponsor for this year's race? We love to partner with local businesses who believe in our mission and want to help give back to the community of North Brunswick. We are looking for businesses to sponsor this year's 5K and/or be a race day vendor table! Email events@theaubreyfoundation.org if you are interested in becoming a sponsor or vendor for this year's race.
