

The Power of Cigar Night

For several months we have all been navigating a “new normal.” COVID19 has undoubtedly brought daily challenges upon our family, friends, fellow community members and the world. All of us at The Aubrey Foundation and Anthony A. Raspa Memorial Foundation are grateful for *the gifts of time and technology* during this crisis - making it possible for us to continue our philanthropic work and serve our community. Central to our work is the commitment to provide student scholarships. For the past five years, Cigar Night has helped both foundations fund our gifting efforts in a setting that embodied the spirits of Aubrey & Anthony and offered the space to celebrate their lives.

This pandemic will prevent us from being able to physically gather safely this year, however, we can still create the power of Cigar Night! **We invite you to join us on June 28th in our efforts by making a donation online while enjoying a part of what Aubrey & Anthony loved *from the safety of your home.*** From a social distance, we can still listen to great music, dance on the front lawn, toast with a loved one, or light up a cigar and together, continue to make a difference.

To make a donation, of any amount, please [click on the green “Tickets” button](#) on our Eventbrite page. Don’t forget to share your ‘*Cigar Night at Home*’ moment with us by sending a picture or short video of you and your loved ones celebrating to: Events@TheAubreyFoundation.org

Thank you for your support. We hope to see you soon. Until then, stay safe, be well, and stay connected!
