

# The Power of Cigar Night...From Home

**THANK YOU** to everyone who made a donation and joined us this past weekend to celebrate *Cigar Night from Home*. This past Sunday, June 28th, friends and family shared in the power of Cigar Night from the safety of their homes. While COVID19 prevented us from being able to physically gather safely in a large group for Cigar Night this year, the pandemic *did not* stop us from coming together as a community to raise money for students while #LivingLikeAubrey and #RememberingRaspa.

The last weekend in June continues to be our Cigar Night weekend. This year, family & friends enjoyed a part of what Anthony Raspa & Aubrey Pappas loved from the safety of their homes! From a social distance, we were able to come together by listening to great music, dancing on our front lawns, toasting with a loved one or lighting up a cigar while we celebrated life and remembered Aubrey & Anthony. 100% of all donations made will go towards helping both foundations fund future student scholarships and other philanthropic work.

You can STILL donate! To make a donation, of any amount, please [click on the green “Tickets” button](#) on our Eventbrite page!

Don't forget to share your '*Cigar Night at Home*' moment with us by sending a picture or short video of you and your loved ones celebrating to: [Events@TheAubreyFoundation.org](mailto:Events@TheAubreyFoundation.org)

Thank you for your support. We hope to see you soon. Until then, stay safe, be well, and stay connected!
